## Letter of recommendation

Miss/Sir,

In the previous five months, Nicolas Borowski has been working for the Sanxin Bilingual School. During this time, he occupied the position of an English teacher and was responsible for the English lessons for 19 classes. This work includes planning English lessons and executing them, focusing on engaging and encouraging the participation of the students. He successfully managed to teach classes up to 50 students and was a great addition to our team.

Additionally, he received Mandarin language teaching two times per week to get an elementary level and understanding of the Chinese language.

The Sanxin Bilingual School affiliated to Zhongshan Memorial Middle School gives priority to high-quality junior high school diplomas. Kaiyin, Sanxin and Jizhong form an international elite education system integrating kindergartens, primary schools, junior schools, senior schools and international departments, thereby providing the best Chinese-English education for students from all over the world.

I strongly recommend Nicolas Borowski without reservation. I am confident that he will be a tremendous asset to your company. I thoroughly enjoyed my time working with Nicolas Borowski and came to know him as a truly valuable asset to absolutely any team. As a dedicated and knowledgeable employee and an all-around great person, I know that he will be a beneficial addition to your organization.

If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me.

## Reference Letter for Nicolas Borowski

Dear Sir or Madam, IAP GmbH, located in Hamburg, Germany, is a software company, 40+ employees, clearly with the need of a business website - see <https://www.iap.de/>.

For the past three years years, I have been Nicolas's direct superior in the marketing department of IAP GmbH. During this time, he covered the maintenance and development of our website and supported me in marketing actions.

He worked very succesful in the following areas:

- Web development and site maintenance with Wordpress

He worked with and adopted various plug-ins in a short time, he constrcuted two times the whole site structure. One time with a modern theme, second time with plug-in Beaver Builder.

- Web Design

Nicolas found good practical solutions for the various types of pages, he had fine ideas how to catch attention (call to action, jump down to anchors...).

- Graphic Design

He refined images for the web page, with Gimp and Photoshop and gave screenshots a fresh and compelling look.

- E-Mail Marketing

Nicolas support the E-Mail Marketing process using an internal mail list and with MailChimp. He created the templates of the mails and the connections to the social networks and worked with me on the revisions of the templates and the mail tests.

- Social Media Marketing

He worked on several areas in the various social networks (Xing, LinkedIn, FaceBook, Google+, Twitter). He added and reworked the company profile (which has a different structure in any network), added the graphics. He did a great job to bring articles in LinkedIn online.
